

ROHINI PATIL

B. Ed. Student

SUMMARY

Passionate and dedicated B.Ed student with effective communication, classroom management, and interactive teaching skills. Skilled in teaching Science and Mathematics, especially Biology, with a focus on simple and student-friendly learning methods.

PROFILE

I am currently pursuing B.Ed and have a strong passion for teaching and learning. I enjoy teaching Science and Mathematics, especially Biology, in a simple and interactive way. I believe in creating a positive learning environment where students can understand concepts easily and develop curiosity towards education. My goal is to inspire students to learn with confidence and interest.
